

Dear Em & Mo,
Merry Christmas!

My, my, changes have been afoot!
It seems only last night I was at
your house, and I was! Your other
house!

I know you girls know how lucky
you are to have two loving homes. I
also know you two know how much
more the love means than these
material things. Though, I have to
say, the material things are pretty
cool too!

Thanks for the Peanut Butter and
Pickle sandwich, I was about cookied
out when I got here. Good to have
some protein to keep me going. And
soda, is that Diet Coke or Sam's
choice diet cola? I can never seem
to tell them apart...

Jolly as always,

Santa
